# WOMEN'S INTERNATIONAL ACADEMY 2025

CDLEGANÉS

## ABOUT THE CLUB

**Club Deportivo Leganés** is a Spanish football institution based in Leganés, just minutes from Madrid. Known for its steady growth and professional management, the club combines sporting excellence with a strong community connection.

**C.D. Leganés Femenino** is emerging as a strategic pillar in this evolution, with a firm commitment to developing female talent at both the national and international levels. Through its own training methodology and core values such as hard work, ambition, and enthusiasm, the club offers a comprehensive and competitive environment for the growth of its players.

Beyond performance, the club's commitment is clear: to create opportunities, promote the social impact of sport, and position itself as a benchmark in women's football.

## THE INTERNATIONAL WOMEN'S ACADEMY

The **C.D. Leganés International Women's Academy** is designed for players from around the world who seek to combine high-performance football, academic education, and personal development in a professional and safe environment.

Launched in 2025, this initiative is committed to offering a transformative and inclusive experience, with a personalized approach that fosters growth both on and off the field. Adult players may join the club's structure and compete with the women's first team.

With this project, **C.D. Leganés** reaffirms its commitment to young talent, firmly believing in the future of women's football and in youth as a driving force for change.

## PROGRAM OBJECTIVES

The goal is to enhance each player's football and personal development through high-level training. With a specialized and committed coaching staff, the academy focuses on key areas of improvement that boost performance both on and off the field.

- **Football:** Intensive training sessions using the club's professional methodology, held at official facilities, with personalized follow-up, performance analysis, and the opportunity to join the women's senior team.
- **Experience:** Players live the daily routine of a high-level footballer: physical sessions, mentorship, tournaments, emotional well-being, and training in leadership and personal branding. All supported by a multidisciplinary team that drives their holistic development.
- **Culture & Education:** Madrid offers a safe and stimulating cultural immersion. In addition, thanks to the partnership with Universidad Europea de Madrid, players can pursue academic degrees in various languages and complete internships within the club, combining sport with academic growth.

## CAMPUS & ENVIRONMENT

The program takes place at the **C.D. Leganés Sports Campus**, with its main operations center located at the **Jesús Polo Annex Stadium**, the official home of the women's first team and youth academy.

Players have access to top-level sports infrastructure that supports every training session and development process.

**Fully equipped gym for strength, mobility, and injury prevention**

**Physiotherapy and physical recovery area with specialized staff**

**Rooms for tactical analysis sessions and individual mentorship**

**Multipurpose spaces for wellness activities, leadership training, nutritional workshops, and psychological support**

The **city of Leganés**, just 15 minutes from Madrid's Atocha Station, offers a peaceful, accessible environment with a strong football identity.

**Madrid**, in turn, is a modern, multicultural, and safe capital—ideal for a rich and rewarding international experience.

# THE PROGRAMS

The International Women's Academy offers programs tailored to the needs of student-athletes, enabling them to combine football development with academic studies, cultural experiences, and personal growth.

All options include full support, access to official facilities, and academic internship opportunities.
