CAN YOU IMAGINE CELEBRATING YOUR BIRTHDAY INSIDE ONTIME BUTARQUE STADIUM?

The Club Deportivo Leganés Gymkhana turns this special day into an experience the kids will never forget.

A unique celebration, full of excitement, games, and football inside a professional stadium, where they can enjoy a one-of-a-kind day with their friends in the heart of Lega.

During the experience, participants will take a tour of the stadium, accompanied by club staff, discovering the most exciting side of football in a safe, fun environment designed entirely with them in mind, along with activities and games that will immerse them deeper into the world of Club Deportivo Leganés.

And to top it all off... an afternoon snack in a private area inside the stadium to keep the celebration going as the true stars of the show. Because some birthdays are just celebrated... and others are remembered forever.
